may be kindly furnished annually for adjust-
-ment by this Office, the account to be made
upto the 31st December of each year.

4. The Government of India directs that in future convicts sentenced to transport-
-ation by the Courts in the Civil and Military Station should be deported under the usual arrangements to the Andaman Islands, and that for the reception of prisoners sentenced to 12 months and under, and for prisoners under trial, a prison of the District gaol class with a lock up attached should be con-
-structed in the Station. The small number of prisoners remaining sentenced to longer periods of imprisonment, or of transportation convicts whom it is undesirable to send to the Andamans may, under arrangements to be made with the Madras Government be confined in the Vellore or Salem Central Jails.

5 With a view to carrying out these orders of the Government of India, I am directed to request that you will be so good as to furnish the Resident with a return of the men, if any, who ought now to be sent to the Andamans under these orders, or, if, in the case of any such men, there are circumstances which in Dr Henderson's opinion make it undesirable to deport them, Mr Lyall will be obliged if Dr Henderson will give a statement of the reasons.

Referring to the provisions of Act XXVI of 1870 introduced into the Prisons Bill now under consideration by the Legislative Council, I am directed by the Inspector General of Prisons to request that an application may be made to the Government of India in the Legislative Department for the appointment of the following Officers as Superintendents of Jails under Section 8 of Act XXVI of 1870 The Prisons Act. the following appointments are made

Surg. Maj J Henderson M D to be Supt & Medl Offr of the Central jail at Bangalore

Surg. Maj T. J McGannon to be Supt & Medl Offr of the Mysore jail

Surgn P. H. Benson M.B. to be Supt & Medl Offr of the Shimoga Jail.

Mr. W. J. Lincoln to be Supt & Medl Offr of the Hassan jail.

But as to the others I am doubtful whether the D.C. or an assistant Commr should be Supt. (At each station there is an Assistant Superintendent & an Asst Medl Offr). There are many powers given to the Supt which perhaps an assistant should not have but the Supt's presence is so often required that it may be inconvenient to appt the D.C. to that office

I am directed to state that the Governor in Council is pleased to direct as above & for the purposes of Section 8 that the D.C. for the time being shall be Superintendent of the Asst of such Station as Medl Offr.

Judicial Commissioner

To,

The General Secretary to the
Chief Commissioner
of Mysore.

Sir,

With reference to act XXVI of 1870, Prisons act, now introduced into Mysore by Notification of the Government of India No. 246 I.J. dated 4th September 1879, I have the honor to suggest that it is necessary that,

Vide Gazette of India page 742, part I of 6th September 1879.

(1) (Section 6) an Inspector General of Prisons be appointed by the Governor General in Council.

(2) (Section 8) ~~that~~ a Superintendent and Medical officer be appointed for each Jail. According to Section 7, there must be such officers for every prison. But the Medical officer may also be a Superintendent, and this I presume will be the arrangement made in regard to the Central Jail Bangalore, and the Jails at Mysore Shimoga & Hassan.

Deputy Commissioners may perhaps be instructed with reference to the concluding paragraph of Section 13, that it is not the wish of the Government that they should interfere in the management of the Central Jail or the Jails at Divisional Head Quarters.

I have the honor to be
Sir
Your Most Obedient Servant

W Sandeman
Judicial Commissioner.
